

Product Name: EuroChem Penetrant Adjuvant  
APVMA Approval No: 85237/112710

Label Name:	EuroChem Penetrant Adjuvant
Signal Headings:	READ SAFETY DIRECTIONS BEFORE OPENING OR USING
Constituent Statements:	1020g/L Polyether Modified Polysiloxane
Mode of Action:	
Statement of Claims:	A Non-Ionic Wetter/Spreader/Penetrant for use with Agricultural Pesticides
Net Contents:	1L , 5L, 20L
Restrains:	
Directions for Use:	
Other Limitations:	
Withholding Periods:	
Trade Advice:	
General Instructions:	<b>GENERAL INSTRUCTIONS</b> EuroChem Penetrant Adjuvant is an organosilicone based surfactant containing a unique blend of various polymers. EuroChem Penetrant Adjuvant is a highly efficient wetter/spreader/penetrant. EuroChem Penetrant Adjuvant is effective with most agricultural chemicals unless otherwise stated on the label.

	<p>Mixing</p> <ol style="list-style-type: none"> <li>1. Mix Herbicide/Fungicide/Insecticide/Foliar Micro-Nutrient product with water when tank is about 30% full.</li> <li>2. When tank is nearly full add EuroChem Penetrant Adjuvant.</li> <li>3. Complete filling tank.</li> </ol> <p>While EuroChem Penetrant Adjuvant has been proven to be a highly efficient surfactant, timing, weather conditions, method of application and/or mixture with other chemicals not specifically recommended are beyond the control of the seller. Therefore the user should carefully observe spray deposits, rate efficiencies compatibilities and effectiveness in initial applications and adjust the adjuvant accordingly.</p>

Resistance Warning:	
---------------------	--

Precautions:	
--------------	--

Protections:	<p>PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT</p> <p>DO NOT contaminate streams, rivers or waterways with the chemical or used containers.</p>
--------------	---

Storage and Disposal:	<p>Store in the closed, original container in a well ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple-rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.</p>
-----------------------	---

Safety Directions:	<p>Do not get on skin or on clothing. Causes eye irritation. Do not get in eyes. Harmful if swallowed. Avoid breathing vapour or mist. Avoid using product in a manner as to directly, or through drift, expose workers or other persons. Always follow the precautionary statements on the label of the pesticide(s) that are to be used with EuroChem Penetrant Adjuvant. Applicators and other handlers must wear goggles or facial splash shield; chemical resistant gloves, such as nitrile rubber &gt; 14mm or neoprene rubber &gt;14mm; coveralls or long sleeved shirt and long pants, shoes plus socks and mists filtering respirator. After use and before eating, drinking or smoking wash hands, arms and face thoroughly with soap and water. After each day's use wash goggles or face shield, gloves and any contaminated clothing. For additional Safety Directions refer to the pesticide label.</p>
--------------------	---

First Aid Instructions:	<p>If poisoning occurs, contact a doctor or Poisons Information Centre (Telephone: 13 11 26). If skin contact occurs remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.</p>
